Council Endorses Climate Emergency Action Plan 2023-2033

At the Ordinary Council Meeting on Tuesday 15 August, Council endorsed the Climate Emergency Action Plan 2023-2033. This action plan is the second step in the Town's response to climate change and includes detailed programs, projects, initiatives and actions to support Council and the community to transition to a low-carbon lifestyle. To read the plan in full, head to 'Latest News' on our website.

Upcoming Council Meetings

Ordinary Council Meeting: Tuesday 19 September
Ordinary Council Meeting: Tuesday 17 October
Meetings take place in Council Chambers at 6:30pm.

Did you know?

This winter the Town is planting over 150 trees, including verge trees and trees in other public spaces, across East Fremantle.

Neighbourhood Link's Activities and Daytrips

This month the Town's Neighbourhood Link is taking a group of eligible people (65 years and above) on a scenic drive to Araluen Botanic Park in Roleystone to view over 100,000 tulips. To view all the activities and daytrips planned for Neighbourhood Link clientele this month, head to Neighbourhood Link on our website, located under 'Community' and 'Community Services' or call the friendly team on **9339 9381**.

Passionate about developing local communities? Then we need you!

Please join us at one of two Community Development Strategy Workshops to be held at Town Hall (135 Canning Highway, East Fremantle) where you'll have the opportunity to provide your thoughts and your ideas as we brainstorm strategies to empower our local communities.

Workshop 1: Monday 4 September - 5:30pm to 8pm
Workshop 2: Saturday 9 September - 9:30am to 12pm

To read more and to register for the workshops, head to 'Events' on our website.
