Convenient public car parks

We have many car parks situated across the Town of East Fremantle, conveniently located to provide motorists with easy access to facilities.

We cater for motorists with a mixture of short to long term free and paid parking. It is advisable to check carefully the information on parking signs before leaving the vehicle.

Some car parks have bays allocated for shorter time periods such as 15 or 30 minutes, and these are clearly marked on the ground and with additional signage. To avoid a parking infringement. Choose a parking space that gives you ample time to enjoy our Town.
