

# You are in a Qfly Quarantine Area

## Your role in eradicating Qfly

Reduce the Qfly risk and keep WA's horticultural industries and gardens thriving by following these steps.

Department of  
Primary Industries and  
Regional Development

Protect  
Grow  
Innovate

# Follow these steps to reduce the Qfly risk to WA

## 1 Remove

All fruit from host plants

## 2 Treat or eat

All home grown or store-bought host fruit and fruiting vegetables using any of these methods:

Eat

Cook

Freeze

Process

Solarise

## 3 Dispose

After treating, securely bag and put into general waste

**Don't share or sell home grown host fruit**
