Group Social Support Activities Program

In a wonderful synergy from outing attendees and outing staff (always on the lookout for suitable venues to visit), we have compiled April's program based on combined suggestions, ensuring a vibrant outing mix and new experiences.

Occasionally a scheduled venue on the program may require an admission for food and/or entertainment, so please be sure to check if the outing suits you prior to booking. If you need any information, please don't hesitate to contact the admin staff in the office on, 9339 9381.

EASTER and ANZAC are with us in April, and we look forward to sharing these very special occasions with you.

Our callout for volunteers with musical talent through a newsletter from the Town to community hopes to bring on board new volunteers to our team to get our singing going. So far, we have interested parties who can play the guitar, ukelele and harmonica. Music brings so much joy and we look forward to developing this component in the program.

We invite your ongoing suggestion and feedback in support of the activity program content. For us it's important to hear your voice and for you to have contribution. If you prefer to write your suggestion and feedback, the outing staff carry forms which you may fill in and return to us at your convenience.
