## JOHNSON, Amy

I am a keen advocate for Council's vision of an inclusive community and lifestyle, balancing growth and sustainability. I'm a mum of 2 Richmond boys, Auskick coach at East Freo JFC and Football West Board Director. I have 20 years senior Marketing and Corporate Affairs experience in banking and own a media business.

The people, schools, sports clubs, river, cafes, parks and playgrounds make my family's life in East Freo amazing. I'd like to give back and help the area thrive. I'll bring a fresh voice to Council, committed to act for residents.

I'm passionate about Council transparency and engagement; ensuring new infrastructure, like the Leeuwin Barracks development, connects with the community; and maintaining the area's natural beauty and facilities.

I'd be delighted to represent you.
