## MCPHAIL, ANDREW

I've served on Council for the past 6 years during which the management of our Town has improved substantially. My finance, business & management experience has assisted to guide improvements, including our sound financial position enabling us to fund significant foreshore, parks & playground upgrades whilst remaining debt free. Future priorities include continuing footpath & road renewal programs, progressing tree coverage across the Town, & a successful cost effective redevelopment of our East Fremantle Oval. My family & I have lived in East Fremantle for 26 years. My experience includes Managing Director of an accounting firm, Treasurer of EF Junior Football Club & other private & not-for-profit organisations. I am dedicated to preserving our wonderful heritage, amenity and lifestyle.
