District	Town of East Fremantle
Candidate Name	ANDREW RICHARD BLAKELEY
Ballot Paper Name	BLAKELEY, Andrew
Nominating for	Councillor for Woodside Ward
Election Type	Ordinary

BLAKELEY, Andrew

An Australian citizen since 2019, my family and I have lived in the Ward since our arrival in 2012 (first renting in Dalgety Street, and now a property owner on Fortescue St).

Our household consists of two daughters (17 and 13); both of whom have gone through local schooling at Richmond Primary ; a rescue dog (Kirra), and an embattled but very supportive wife!

Previously in international sales, this role has afforded me unique opportunities to work alongside many and varied, people and cultures.

Overall I am generally positive towards the current council's activities and developments, and my candidacy is given over to providing you, the electorate, with greater choice! With your support however, our taking a greater lead in the use and adoption of renewable energy would be a key driver.
